It has been observed in the past that there had been abnormal delay even upto 5 months in obtaining the Excise Exemption certificates by the concerned Executive Engineers from the Deputy Commissioners, which has resulted in delay in supply of pipes and necessitated extensions to be given to the firms supplying G.I pipes. The Format of Certificates is to be got issued and the Ex works addresses of these firms and the firm wise/ consignee wise details are also attached herewith.

The Excise Exemption Certificates are required to be issued at works address of the firms and not at their head office address. The Ex works address of the firms are given in attached Annexure-A".

You are, therefore, requested to direct the Executive Engineers to obtain the necessary Excise duty exemption certificates from the Deputy Commissioners concerned latest by 20th July, 2013 and ensure its delivery directly to the firms under intimation to this office.
