AMRUT	290 MT	2.57 Crore
Other Head (State, NABARD & Deposit)	3012 MT	27.12 Crore
Total:	5809 MT	52.74 Crore

After detail discussion/ deliberation, the committee approved the additional requirement of 5809 MT & further authorized the department to procure the same on tender finalized for the year 2023-24, rates of which are valid up to 31.03.2024. It was also decided by the committee that for placing supply orders, the maximum quantity be ordered to L-1 firms as compared to other firms who consented to supply material on L-1 rates. The GPS tracking & videography at the time of loading of material & its transshipments shall be ensured by the concerned firms as well as representative of H.P. State Civil Supplies Corporation and the concerned consignees be directed to ensure proper check of Quality & Quantity of Pipes at consignee level at the time of unloading of material with proper videography.

Item No. III:**Additional requirement of D.I. Pipes for the year 2023-24.**

The Member Secretary explained that the additional requirement of 11926 Rmt. D.I. Pipes for year 2023-24 has been received from the Chief Engineer Shimla, Mandi & Hamirpur Zones. The Division wise/ Dia wise detail is mentioned as under:

6	Palampur	51740	141.06
7	Indora	20260	47.81
	Total:	117480	367.07

As per decision of previous meeting, above requirement has been recommended for approval by Pre-Screening Committee in its meeting held on 09.11.2023 under the chairmanship of Principal Secretary (Jal Shakti).

It is further clarified that the material is required for State Sector Programme HIMCAD & NABARD under which Command Area Development activity in clusters of minor irrigation schemes is being carried out in the shape of piped distribution network. During the year 2023-24, there is a budget provision of Rs. 179.35 Crore in Irrigation Sector.

Presently there is no HPCOS Rate Contract for procurement of HDPE Pipes as the earlier rate contract stand expired on 30.09.2023.

During the Meeting, the Deputy Director Industries informed that the tender for finalization of rate contract of HDPE

Pipes are in process and shall be finalized within a month after the approval of Government. The Principal Secretary (Jal Shakti) requested Industry Department to ensure its finalization at the earliest.

The Committee approved the additional requirement of 117480 Rmt. HDPE Pipes and further authorized the department to procure the same on HPCOS rate Contract as & when finalized.

Item No. V : Additional requirement of G.I. Wire for the financial year 2023-24:

The Member Secretary explained that the additional requirement of 30 Metric Tonne G.I. Wire for the year 2023-24 has been received from the Chief Engineer Mandi Zone. The Division wise/ Dia wise detail is mentioned as under:

Annual Requirement of G.I. Wire for the year 2023-24					
Sr. No.	Name of Division	Description	Quantity. (in Metric Tonne)	Rate as per HPCOS Rate Contract	Amount (In Rupees)
1	3	4	5	6	7
1	Larji	SWG-6, 5.00mm thick	30.00	74500	2235000.00
		Total	30.00		2235000.00

As per decision of previous meeting, above requirement has been recommended for approval by Pre-Screening Committee in its meeting held on 09.11.2023 under the chairmanship of Principal Secretary (Jal Shakti).

Further the Member Secretary informed that the payment of above GI wire will ^{be} made from flexi funds of JJM. Hence as per recommendation of the committee it is proposed that same may be procured on rate contract of G.I. Wire finalized by Industry Department.

The Committee approved the requirement of 30 MT GI Wire and authorized the department to procure the same on HPCOS rate contract which is valid up to 31.12.2024.

Further with the permission of chair, one additional item received after Pre-Screening Committee Meeting was placed before the committee as under:

Additional Item: Regarding requirement of D.I. Pipes for main sewer line of Sewerage Scheme Obri, Mai Ka Bag Sultanpur, Tehsil & District Chamba Himachal Pradesh. **Permission for procurement of D.I. Pipes on through rate basis.**

The Member Secretary explained that the Superintending Engineer, Jal Shakti Circle Chamba has submitted the requirement of 1250 Rmt. D.I. Pipes as required by Executive Engineer, Jal Shakti Division Chamba for main sewer line of Sewerage Scheme Obri, Mai Ka Bag Sultanpur, Tehsil Chamba.

It was clarified that Sewerage Treatment Plant 0.87 MLD capacity stand completed but to make the scheme functional, D.I. Pipes 250mm K-7 1250 Rmt. is required. Scheme is targeted to be completed by March 2023 as per action plan submitted to Hon'ble NGT. Moreover the work of National Highway is in progress in Parel area & the same is going to be metaled soon. If the sewers are not laid the department will have to pay digging charges & also it will damage the new road. Further the Constructed Sewage treatment plant needs to be tested & same can be tested after installation of these sewers.

 Member Secretary clarified that the tender for procurement of D.I. Pipes finalized by the Screening Committee in its meeting held on 15.09.2023 is only for two diameters i.e. 100mm K-7 & 150mm K-7 for which rate are valid up to 31.03.2024. For other diameters the rates could not be finalized and now as per decision of Screening Committee in its meeting held on 15.09.2023 fresh tender have been called for 200mm to 600 mm diameters, finalization of which may take sufficient time.

In view of above, due to urgency it is proposed that necessary permission to execute the above works involving D.I. Pipes i.e.

250mm K-7, 1250 Rmt on through rate basis may kindly be accorded please.

Matter was discussed in detail in the meeting & being NGT matters which is time bound, Committee approved the item as a special case and authorized the department to executed this work (i.e. 250mm K-7, 1250 Rmt.) on through rates.

The Meeting ended with a vote of thanks to and from the Chair.
