

No. IPH-CTR-32-/ Enlist Rules/2014-  
Himachal Pradesh  
Irrigation & Public Health Department

1905-2000

To

The Chief Engineer(SZ),  
IPH Department, U.S. Club, Shimla-1,  
Himachal Pradesh.

Dated: Shimla-171001

4/ August, 2016

**Subject: Enlistment Rules 2013-Revalidation of enlistment of Contractors.**

It has come to the notice of undersigned that revalidation of various classes of contractors are pending at various level in Shimla Zone due to which contractors are approaching the Higher Authorities time and again. The Government has already undertaken partial amendment in the existing enlistment rules, 2013 whereby works done criteria has been brought down considerably from the previous eligibility criteria keeping in view the contractors grievance on this issue. It is also being pointed out by the contractors that the works which are still ongoing since quite some time for reasons not attributed to contractors are not being taken into account for works done criteria fixed by the Govt.

Therefore, after careful consideration, in order to address the present situation, it is clarified that all presently ongoing works having amount of appropriate magnitude as specified in the amended rules pertaining to the years prior to the previous revalidation/enlistment may also be considered for qualifying eligibility criteria for revalidation/enlistment of contractors. In such cases, the Executive Engineer concerned will issue necessary work done certificate within 2 days after the request is received from the contractors. The revalidation of contractors who fulfill the eligibility criteria after considering ongoing works be issued immediately under intimation to this office as the Govt. has taken a serious view on this issue.

  
Engineer-in-Chief,
