.....
No. IPH-A (2)1-7/2016 Dated Shimla-2, the 4 -10-2016

MEMORANDUM

WHEREAS Sh. Sanjay Kumar on his placement as Executive Engineer dated 27-6-2016 was posted on his request as Executive Engineer at IPH Division No.-II, Shimla vice Sh. Dhan Raj Sharma, E.E. vide order dated 27-6-2016 where he joined on 15-7-2016 but only after issuing him notice dated 11-7-2016.

WHEREAS as a corollary to the decision of the Government regarding shifting the control of IPH Water Supply and Sewerage Circle, Shimla and IPH Division No. 2, Shimla to Municipal Corporation, Shimla, he again tendered his representation dated 13-7-2016 for his transfer, stating his adverse family circumstances. After considering his request, he was further transferred/adjusted in IPH Circle, Hamirpur despite having short stay vide this Department's Notification dated 26-8-2016 after due condonation of short stay where he joined as such on 27-8-2016.

WHEREAS the officer has now again brought political influence in the shape of sending UO note from the office of Hon'ble IPH Minister regarding his transfer to IPH Division, Nahan within a period of 15 days of the last orders. Besides, he also made politically influence in the office of Hon'ble IPH Minister by altering the Department's proposal of transfer and managed to get it through from their office for his transfer to IPH Division, Solan. This clearly shows his interest of getting his posting of his choice. Whereas he mentioned the disturbance in his family in Panchrukhi on account of recent death of his brother-in-law and tearfully expressed the need to be close to his family. At the same time, the notes for his transfer from Municipal Corporation, Shimla have been to places far away from his family viz Solan and Nahan. This reveals his dubious nature in trying to project adverse family circumstances only to get a change in posting from Shimla close to his family and then seeking posting at far off places. Such action on the part of a Officer of high rank is unbecoming of a Government servant and this is violation of Rule-20 of CCS (Conduct) Rules, 1964. Such action on part of any officer adversely affects the entire system of establishment and is a major impediment in implementation of Government policies and pace of development.
