

CORRIGENDUM

Subject:- Minutes of 1st Meeting of Technical Committee for the year 2019-20 held on 08-07-2019 under the Chairmanship of Engineer-in-Chief (IPH) at Jal Shakti Bhawan, Shimla-05.

With reference to the above referred minutes Agenda No. 5 (Firms called for Presentation)

Item no. 3 of the minutes is hereby amended and may be read as given below:-

As per Minutes of 1 st Meeting of Technical Committee already circulated vide letter no. 1784-92 dt. 20.7.2019.	Amendment made in the Minutes of the 1 st Meeting of Technical Committee.
It was decided to approve the Air Valve and Sluice Valve of SINGER Make for use in IPH Department. It is further decided that performance of DURGAA/ DVPL Make Valves may also be checked by providing valves for demonstration to SE (IPH) Sundernagar and based on the performance report the decision shall be taken.	It was decided to approve the Pressure Reducing Valve of SINGER Make for use in IPH Department. It is further decided that the performance of DURGAA/ DVPL Make Air Valve and Sluice Valve may also be checked by providing valves for demonstration to MD-Cum-CEO, SJPNL, Shimla and based on the performance report the decision shall be taken.

Necessary amendment may kindly be circulated to all the concerned.

Member Secretary -cum-
Superintending Engineer,
P&I-I, Jal Shakti Bhawan,
Shimla-05.
